Do You Open Your Mouth

Like a young bird and gulp down whatever food or medicine may be offered you? Or, do you want to know something of the composition and character of that which you take into your stomach whether as food or medicine?

Most intelligent and sensible people now-a-days insist on knowing what they employ whether as food or as medicine. Dr. Pierce believes there is a perfect right to insist upon such knowledge. So he publishes, broadcast and on each bottle wrapper, what his medicines are made of and how they are made. This he feels he can afford to do because the more the ingredients of which his medicines are made are studied and understood the more will their superior curative virtues be appreciated.

For the cure of woman's peculiar weaknesses, irregularities and derangements, giving rise to frequent headaches, backache, dragging-down pain or distress in lower abdominal or pelvic region, accompanied, oftentimes, with a debilitating, peevish, catarrhal condition and kindred symptoms of weakness, Dr. Pierce's Favorite Prescription is a most efficient remedy. It is equally effective in curing painful periods, in giving strength to nursing mothers and in preparing the system of the expectant mother for baby's coming, thus rendering childbirth safe and comparatively painless. The "Favorite Prescription" is a most potent, strengthening tonic to the general system and to the organs distinctly feminine in particular. It is also a soothing and invigorating nerve and nerve tonic, curing nervous exhaustion, nervous prostration, neuritis, hysteria, spasms, chorea or St. Vitus's dance, and other distressing nervous symptoms attendant upon functional and organic diseases of the distinctly feminine organs.

A host of medical authorities of all the several schools of practice, recommend each of the several ingredients of which "Favorite Prescription" is made for the cure of the diseases for which it is claimed to be a cure. You may read what they say for yourself by sending a postal card request for a free booklet of extracts from the leading authorities, to Dr. R. V. Pierce, Invalids' Hotel and Dispensary, Littleton, Colo., N. Y., and it will come to you by return post.

PRINCE DE SAGAN AND MME.

GOULD.

Another chapter was added to the

story of the affairs of Prince Helie de

Sagan and Mme. Anna Gould, who

sailed from New York on different

steamers for Europe Saturday, when last

night, G. G. Netter, of New York, made

public a statement given to him, as he

explained it, by the prince and intended

for publication after the St. Paul, upon

which de Sagan took passage, was well

out at sea.

Mr. Netter is a personal friend of the

prince, and was instructed by the latter

with the statement that he and Mme.

Gould were betrothed. The statement

of de Sagan follows, in part:

"When trouble developed between

Count Boni and the countess, I sought

to aid them as a friend sincerely inter-

ested in their affairs. It was at that

time that her friendships were really

tested. She stated at that time that she

appreciated my efforts very much. Our

love for each other began to dawn only

after the divorce decree had been en-

tered. Long after the courts had acted, I

chanced to call at her home one day, and

by one of those intuitive divinations—a

meeting of the eyes sometimes brings

the knowledge—I knew for the first time

that I really loved her and she loved me.

It was on the first day of last August

that the first word about love or mar-

riage was uttered between us. In the

course of a conversation she suddenly

said to me: "Oh! Prince, why didn't I

marry a man like you?" I replied that

I was afraid I was too old, but she as-

serted that she did not think so. I had

known her well, I had studied her

thoughts, her hopes, her inclinations.

And, understanding all this, I realized

what a good wife she would make and I

believed it might lay in my power to

make her happy. We became betrothed.

Mme. Gould and I contemplated a quiet

marriage. When that event has taken

place my wife and I will live for some

years in complete retirement in some

quiet suburb of Paris. There we shall

remain until the day of her former

husband is paid. We are marrying, I

repeat, for nothing else except that we

love each other."

NEW BRITISH CABINET.

Official announcement was made last

night of the new British cabinet ap-

pointments. They are:

Herbert H. Asquith, prime minister

and first lord of the treasury; David

Lloyd George, chancellor of the ex-

chequer; Lord Tweedmouth, president

of the council; Earl of Crewe, secretary

Southern Railway Spring and Summer Schedule.

Southern Railway inaugurates its spring and summer schedules today, April 13th, throughout its entire system. It has been found necessary, for economic reasons, to curtail train service in some instances. Nos. 9 and 10, local trains between Washington, Alexandria and Danville, Va., and Nos. 33 and 34, through trains between Washington, Alexandria and Annapolis, Ga., are discontinued and the schedules of other trains readjusted to fully meet the requirements of the traveling public. The facilities, however, for reaching the various summer resorts and commercial centers of the Southern States, including western North Carolina, Gulf Coast and Texas points and New Orleans, have not been abridged.

Train No. 35, for Atlanta and New Orleans, passing Alexandria on new schedule, 8:32 a. m., and doing local work from Manassas to Danville, will stop at Alexandria to take on and leave passengers.

The schedules on the Bluemont Branch, points along which are liberally patronized by our Alexandria people, will be adjusted later in the season.
